Single & Double Hinged Pipe Clips

This range of single and double clips for copper and uPVC pipe has been designed with a special hinge to reduce the risk of stress cracking. The clips are provided with central hole fittings for both the single and double clip and can be assembled together using the unique locking mechanism. The double hinge clip can be used to support the Ellis Patents pipe cover.

Single Hinged Pipe Clip

Part No	Product Description	Pack Qty
9-15W	Hinged clip for 15mm pipe	100
9-22W	Hinged clip for 22mm pipe	100
9-28W	Hinged clip for 28mm pipe	100

Double Hinged Pipe Clip

Part No	Product Description	Pack Qty
9-D15W	Double hinged clip for 15mm pipe	100
9-D22W	Double hinged clip for 22mm pipe	100
9-D28W	Double hinged clip for 28mm pipe	100

Material / Colour	White Polypropylene Other colours available as specials on request
--------------------------	---

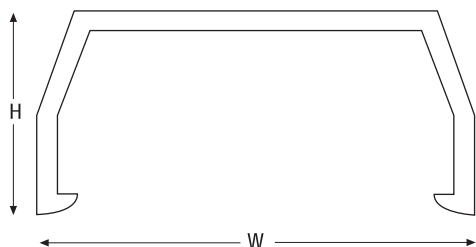

Pipe Cover

Ellis Patents pipe cover provides a quality finish to plumbing installations with a shouldered design and excellent surface finish. For use with Ellis Patents double hinged pipe clip or pipe cover bracket.

Part No	Product Description	W mm	H mm	Pack Qty
9-15PC	Cover for 2 x 15mm pipe	76	34	10 Lengths (25m)
9-22PC	Cover for 2 x 22mm pipe	93	41	10 Lengths (25m)

Standard Length: 2.5 metres

Material / Colour: White PVC

Pipe Cover Bracket

The pipe cover bracket can be used to fix the Ellis Patents pipe cover to existing plumbing installations and can fit around pipe clips that have been previously installed. The bracket can be slid underneath existing pipework, fixed to the wall and then the cover mounted.

Part No	Product Description	Pack Qty
9-PB15W	Pipe cover bracket for 9 - 15PC pipe cover	100
9-PB22W	Pipe cover bracket for 9 - 22PC pipe cover	100

Material / Colour: White Polypropylene

Single & Double Open Pipe Clips

This contemporary range of pipe clips for both single and double pipe arrangements has added retention through the stiffened external rib, which also assists installers by leading the pipe into the clip aperture.

Single Open Pipe Clip

Part No	Product Description	Pack Qty
5-15W	Open clip for 15mm pipe	100
5-22W	Open clip for 22mm pipe	100
5-28W	Open clip for 28mm pipe	100

Double Open Pipe Clip

Part No	Product Description	Pack Qty
5-D15W	Double open clip for 15mm pipe	100
5-D22W	Double open clip for 22mm pipe	100

Spacer for Open & Hinged Type Clip

Spacers designed to meet the requirements of the Water Bye-laws. All spacers provide additional stand-off distance of 22mm from the wall, providing generous space for pipe insulation.

Part No	Product Description	Pack Qty
8-16W	Spacer for 15mm and 22mm single and double open clips	100
8-17W	Spacer for 28mm single and double open clip and all single and double hinged clips	100

Material / Colour

White Polypropylene
Other colours available as specials on request

Nail Clips

This robust design ensures that the clip provides excellent pipe retention. The product is available in two styles - standard (N10 Series) and high shoulder (N11 Series).

Standard Nail Clip

Part No	Product Description	Pack Qty
N10-08W	Nail pipe clip for 8mm pipe	100
N10-10W	Nail pipe clip for 10/12mm pipe	100
N10-15W	Nail pipe clip for 15mm pipe	100
N10-22W	Nail pipe clip for 22mm pipe	100
N10-28W	Nail pipe clip for 28mm pipe	100

High Shoulder Nail Clip

Part No	Product Description	Pack Qty
N11-15W	High shoulder nail pipe clip for 15mm pipe	100
N11-22W	High shoulder nail pipe clip for 22mm pipe	100

Material / Colour	White Polypropylene Other colours available as specials on request
--------------------------	---

Double Swivel Type Clip

The Ellis Patents double swivel type clips are designed to be screwed loosely to the wall prior to installation of pipe. Once the pipe in place (with the lid parallel to the pipe run) the lid is swivelled through 90° and the screw tightened up to fix the pipes permanently.

Part No	Product Description	Pack Qty
942DN	15 x 15mm Double swivel type clip	250
944DN	15 x 22mm Double swivel type clip	200
946DN	22 x 22mm Double swivel type clip	200

Material / Colour	Natural Polypropylene

Specialist Packing Service

Products can also be supplied packed to individual customer requirements.

These services include:-

- Special pack quantities
- Pre-printed bags or cartons
- POS packaging
- Bespoke label design and print
- Barcode labelling

All these services are charged at an additional cost dependent on quantity - please contact Ellis Patents sales department for further assistance.

Distribution

- Urgent ex-stock products can be delivered next day throughout most of the U.K. by national carrier
- For large quantity requirements realistic delivery lead times are quoted and achieved
- Specialist made to order projects can be supplied through JIT (Just In Time)/Part Deliveries
- International Carriage can also be arranged on behalf of the Customer from FCA To DDP in accordance with Incoterms 2000

Ellis Patents is committed to achieving a first class service and has always prided itself on the ability to deliver goods on time, whether it be standard ex-stock products, large quantity requirements or specialised items manufactured for a particular project. This is achieved through the use of efficient carriers, monitored regularly on performance to ensure that customers receive the best service possible.

A packing & carriage charge is made for small orders and in certain circumstances for deliveries made direct to site.

A Company assessed by BSI Quality Assurance and approved to meeting the requirements of BS EN ISO 9002 for the manufacture of plastic injection mouldings and metal framed cleats.

All Business is undertaken only on our Conditions of Business - a copy of which is available on request.
